TABLEAU DE PUISSANCE

Tension entre phases et neutre de 220 Volts

| Type    | Puissance total | Intensité total | Intensité par phase | Section par phase |
|---------|-----------------|-----------------|---------------------|-------------------|
|         | 500 w           | 2.3 A           |                     | 0.5 mm            |
|         | 1 Kw            | 4.5 A           |                     | 1 mm              |
|         | 2 Kw            | 9.1 A           |                     | 1.5 mm            |
|         | 3 Kw            | 13.6 A          |                     | 2 mm              |
|         | 5 Kw            | 22.7 A          |                     | 3.5 mm            |
| 6.2 Kw  | 12 Kw           | 54.5 A          | 18.2 A              | 4 mm              |
| 12.2 Kw | 24 Kw           | 109.1 A         | 36.4 A              | 8 mm              |
| 18.2 Kw | 36 Kw           | 163.6 A         | 54.5 A              | 12 mm             |
| 24.2 Kw | 48 Kw           | 218.2 A         | 72.7 A              | 16 mm             |
| 48.2 Kw | 96 Kw           | 436.4 A         | 145.4 A             | 32 mm             |
| 6.3 Kw  | 18 Kw           | 81.8 A          | 27.3 A              | 6 mm              |
| 12.3 Kw | 36 Kw           | 163.6 A         | 54.5 A              | 12 mm             |
| 18.3 Kw | 54 Kw           | 245.4 A         | 81.8 A              | 18 mm             |
| 24.3 Kw | 72 Kw           | 327.3 A         | 109.9 A             | 24 mm             |
| 48.3 Kw | 144 Kw          | 654.5 A         | 218.2 A             | 48 mm             |
| 3.5 Kw  | 15 Kw           | 68.2 A          | 22.7 A              | 5 mm              |
| 6.5 Kw  | 30 Kw           | 136.4 A         | 45.4 A              | 10 mm             |
| 12.5 Kw | 60 Kw           | 272.7 A         | 90.1 A              | 20 mm             |
| 18.5 Kw | 75 Kw           | 409.1 A         | 136.4 A             | 30 mm             |
| 24.5 Kw | 120 Kw          | 545.4 A         | 181.8 A             | 40 mm             |
| 48.5 Kw | 240 Kw          | 1090.1 A        | 363.6 A             | 80 mm             |
